

Airbus welcomes first ACJ TwoTwenty section in Mirabel / Canada

#ACJ TwoTwenty, #ACJ, #Airbus, #A220

Mirabel, 17 May 2021 – The first section of the recently launched ACJ TwoTwenty has arrived at the A220 Final Assembly Line (FAL) in Mirabel, Canada, in line with the planning. This mid-fuselage section arrival marks the start of the first Airbus corporate jet ever assembled in Canada.

The ACJ TwoTwenty is the combination of a signature flexible cabin catalogue outfitted into a modern, reliable and cost efficient A220-100, designed for state-of-the-art business aviation jet operations.

The ACJ TwoTwenty comes with renowned ACJ DNA: ultimate comfort, intercontinental range, unbeatable economics with unmatched operational availability.

The ACJ TwoTwenty was launched in late 2020 and has already won orders for six aircraft. Comlux will be the first to take delivery of the ACJ TwoTwenty this winter and will be the exclusive outfitter for the first 15 aircraft.

The ACJ TwoTwenty will feature unmatched personal space with 73m²/785 ft² of floorspace, and is the only business jet featuring six wide VIP living areas for up to 19 passengers. The ACJ TwoTwenty will have intercontinental range, capable of flying up to 5,650 nm/10,500 km (over 12 flight hours) and is at a price tag just under the Ultra Long Range bizjet price.

More than 200 Airbus corporate jets are in service on every continent, including Antarctica, highlighting their operational versatility, including in challenging environments.

Airbus Corporate Jets (ACJ) offers the most modern and comprehensive corporate jet family in the world, giving customers the greatest choice of unique, customisable and spacious cabins, allowing them to select the comfort they want in the size they need – offering them a unique flying experience.
